Attention: Mid America Mortgage Wholesale and Correspondent Customers!

In keeping with our ongoing commitment to providing operational excellence to our Broker & NDC partners, MAM has made modest upward adjustments to our state-level 2018 Appraiser Fee Schedule, with the intent of improving round-trip turn-times on all appraisal services offered through MAM.

Note: This schedule is intended to provide guidance for purposes of anticipating related charges to appear on initial Loan Estimates. Actual charges may vary by state and individual appraiser.

The Appraisal Fee list is attached (next page).

Please never hesitate to contact your MAM Representative should you have questions regarding the foregoing updates.
As always, we appreciate your business!
